

Nakshatra Course –2nd Set (English)

The Nakshatras form the sky map and are the harbingers of events in our lives. Planets in specific Nakshatras show definite behaviour and consequently give a direction to our lives.

In this set of classes, learn about the next 9 Nakshatras from Magha to Jyestha. Additionally learn to identify the Nakshatras which help you form your Career, your mental strength, your endurance and much more.

We will also touch on the topic of seeing Nakshatras in the Divisional Charts and take charts impromptu for analysis.

- 1 A New Method of Prediction based on Decoded Mythological Stories and Puranic Legends associated with the Nakshatras
- 2 Understanding the Esoteric Significance and Delineation of Important Themes and Shadow Issues associated with Nakshatras.
- 3 Detailed Analysis of the Nakshatras .
- 4 Application of Theory on Example Charts, In Class Practice Sessions, Revision Exercises
5. Remedial measures which are easy and simple to apply
6. Special Nakshatras are also covered.
